**PERI-LOC<sup>®</sup>**  
Upper Extremity  
Locked Plating System

## Translates into optimal anatomic restoration

The PERI-LOC Volar Distal Radius plates feature oblong holes in the plate's shaft and head to allow for proximal/distal and radial/ulnar translation. A 26 degree distal volar tilt assists in precise reduction and restoration of the articular surface. With locking and non-locking options in every hole, the PERI-LOC system is designed to offer you customized solutions for optimal fixation.

# PERI-LOC<sup>◇</sup> Volar Distal Radius Plate

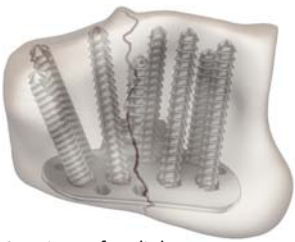

## Indications

The PERI-LOC Volar Distal Radius plates are indicated for complex intra- and extra-articular fractures and for the fixation of osteotomies of the distal radius.

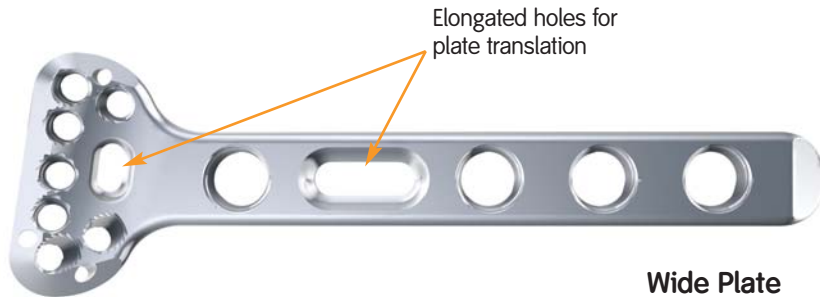

Beveled plate tip

**Standard Plate**

2 points of radial styloid fixation

Elongated holes for plate translation

**Wide Plate**

## Features

- Low profile plate and screws reduce the potential for soft tissue and tendon irritation
- 26° distal volar tilt allows for optimal anatomic fracture reduction and restoration of the articular surface
- Pre-contoured standard and wide plates available in lefts and rights and a variety of lengths
- Locking and non-locking option in every hole for custom screw configurations
- Unique 5 dimensional distal screw configuration
- 2 points of radial styloid fixation
- K-wire holes for provisional fixation and joint surface reconstruction
- 316L stainless steel for strength
- Elongated holes in the plate shaft and head facilitate plate translation
- Beveled plate tip for percutaneous insertion

## Catalog information

PERI-LOC Volar Distal Radius Instrument and Implant Tray

Cat. No. 7181-1006

### 2.5mm Volar Distal Radius Implants

*Standard*

Cat. No.	Length	Quantity	
		Minimum Suggested	Maximum Suggested
7182-3110	3H Left 62mm	1	1
7182-3112	5H Left 86mm	1	1
7180-3126	9H Left 135mm	0	1
7182-3114	3H Right 62mm	1	1
7182-3116	5H Right 86mm	1	1
7180-3128	9H Right 135mm	0	1

*Wide*

Cat. No.	Length	Quantity	
		Minimum Suggested	Maximum Suggested
7182-3118	3H Left 62mm	1	1
7182-3120	5H Left 86mm	1	1
7182-3122	3H Right 62mm	1	1
7182-3124	5H Right 86mm	1	1
