

Made to Order  
 Simple - Lightweight - Modular

The TC-100 Mini Fragment Set is made to order, simple, lightweight, and modular

### Drill Caddy

Hinged design allows for compact fit within the tray

### Instrument Caddy

Hinged design allows for compact fit within the tray

### Plate Caddy

Lightweight, self-contained plate caddy for ease of use in the O.R. and throughout the sterilization process  
Designed for quick and clear identification

### Screw Caddy

Lightweight, self-contained screw caddy for ease of use in the O.R. and throughout the sterilization process  
For self-tapping and non-self-tapping designs  
Accommodates both hexagonal and cruciate drive designs  
Screw gauge for quick and easy measurement

### Outer Case

All four components fit conveniently in one outer tray

## Instrument Set

Part No.	Description	71166101 Set Qty
